

# Canine Policy

I promise that my canine companion and I will stick to the following guidelines throughout our time at Smithfield Works:

- I agree to take personal responsibility for the behavior of my dog while it joins me on its work experience at Smithfield Works.
- I agree to keep my dog on a lead or in a carrier while in the building's public areas in case anyone is unfortunate enough to be allergic or scared of his/her adorable self.
- I agree to do my best to minimize any loud barking and yapping by my dog that might cause disturbance to other customers in the building.
- I agree to pay any additional cleaning bills or repairs that may be needed after any little accidents by my pooch.
- I agree to make the office pet-proof, keeping wires and cords tucked away and bells on collars to stop any rolling office chair accidents.
- I agree to clean up after my dog and understand that cleaners may request to only enter the office when my dog is not around however cute s/he may be.
- I agree that if any complaints are made to Smithfield Works by other customers or staff about my dog, if requested, I will leave my doggie in the comfort of my own home.
- I agree that my canine companion is fully vaccinated and regularly treated for little nasties including fleas, ticks & worms!
